# Introducing the Ministry's staff to the CIRDAP Organization's Training programs

Scholarships and Fellowships Unit of AIRD introduced 8 employees from different central and provisional directorates of MRRD to the CIRDAP organization's trainings to India:

• Decentralized Governance and Way to Good Governance

Social Audit in Rural Development Programs
Geo – Spatial information Management in

Rural Development.

The above-mentioned trainings were sponsored by CIRDAP Centre on Rural Development (CGARD) with technical support from National Institute of Rural Development and Panchayati Raj (NIRD&PR), India, organized at NIRD and the ministry's employees were able to successfully complete the training programs. The purpose of AIRD was to introduce employees to improve their educational and specialized capacities in different fields.

The CIRDAP National Coordinators' Planning Workshop 2019, was held on 11th-13th March 2019 at the Bangladesh Academy for Rural Development (BARD), Cumilla, Bangladesh.

#### Visit from Rural Technology Park

Abdul Munir Wakili, Acting Executive Director of AIRD, along with Sikandar Khan, Head of Rural Technology Park and its team members, visited the Rural Technology Park.

Mr. Wakili was briefed on various working areas of RTP compound. The structures of RTP showcase the state of the art work, implemented by local skilled artisans and being made of local resources and materials. Rural Technology Park (RTP) was established with a view to uplift the rural people in all aspects of life. Here, several relevant and user-friendly technologies (Solar Cooker, wheat cutter, Tunnel dryer, hydraulic brick machine etc...) are showcased which are useful for improving rural livelihoods Mr. Wakili stressed on transfer of solar based and agro technologies to rural areas and offered his utmost support to the RTP initiative.
