

Islamic Republic of Afghanistan
Ministry of Rural Rehabilitation and Development
Citizen Charter Program of Afghanistan

External – Vacancy Announcement

Introduction

The Citizens Charter is a National Priority Program (NPP) of the National Unity Government (NUG) that was officially launched on September 25, 2016.

The Citizens Charter is an inter-ministerial, multi-sectorial NPP, where Ministries have collaborated to provide basic services to rural communities. The key service delivery ministries involved are: Ministry of Rural Rehabilitation and Development (MRRD), Ministry of Education (MoE), Ministry of Public Health (MoPH) and Ministry of Agriculture, Irrigation and Livestock (MAIL), with oversight by Ministry of Finance (MoF). MRRD has a key role and will be responsible for infrastructural development and strengthening CDCs and Cluster CDCs. The Community Development Councils (CDCs) will be linked to sub-national government to improve communication and coordination from the community to the district, provincial and national levels - increasing Government visibility and accountability. The Citizens' Charter is an important foundation for the Government's reform agenda, contributing to a number of priority areas including: Ensuring Citizens' Development Rights; Building Better Governance; Reforming Development Planning & Management and Developing Partnerships.

The Citizens Charter intends to improve service delivery by ensuring minimum service standards, provide greater responsiveness by the Government to the people and increase the level of public satisfaction with services. The Charter commits to deliver the following core services across the country over a 10-year period:

- Basic health services
- Basic education access
- Safe drinking water and sanitation
- Improved farming technologies and the delivery of extension services
- Rural connectivity with tertiary roads
- Rural renewable energy
